NMT Equipment Rental

Available in North America only. Rentals are subject to equipment availability with one month minimum. All rentals have a purchase option at 90% of the rental payments applied toward the purchase within 60 days.

Warranty

All equipment and parts offered for sale by Northwest Marine Technology are fully guaranteed for one year following the invoice date against failure caused by defective material or workmanship. Within the guarantee period, NMT will repair or replace at its discretion and free of charge, F.O.B. Anacortes, Washington, all defective parts or defects in workmanship. This does not apply to parts or materials experiencing normal wear and tear; nor does this apply to NMT equipment used with tags or parts that NMT has not tested and approved for use in NMT equipment.

NMT is not liable for (i) consequential damages; (ii) incidental damages, or (iii) implied warranties of merchantability or fitness for a particular purpose.

No other warranty, express or implied, is made.
